

## Commitment to Child Safety

Kolbe Catholic College upholds the care, safety, and wellbeing of all students as a key priority. Our students are central to the mission of the College. Caring for the students is the collective responsibility of the whole school community and this commitment is drawn down from, and inherent in the teaching and mission of Jesus Christ, where love, justice, and the sanctity of each person, exists at the heart of the Gospel.

Kolbe Catholic College is committed to providing a child safe and child friendly environment, where children and young people are safe and feel safe and can actively participate in decisions that affect their lives.
